It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report you spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st of July 2020. To see an example of how to complete the table please click

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key Achievements this year	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>• Every Day Active Uniform – Positive results from consultation with parents, staff and children. This change has resulted in an extra 40-minute active time per child per week.</li> <li>• Maximum use of all play spaces at break and lunch times through better timetabling. This has delivered more active, better-quality playtimes.</li> <li>• Brain breaks embedded in KS1</li> <li>• Daily Mile embedded in school culture. KS1’s ‘Baby Shark effect’</li> <li>• PE Interventions and different approach to teaching certain classes to benefit SEND children</li> <li>• Forest Schools and Outdoor learning embedded in curriculum for all classes. This has helped to increase activity levels and adventurous play opportunities</li> <li>• Midday Supervisor Training – Learning through Landscapes and Beacon Schools. Better relationships between middays and their classes. Better quality play.</li> <li>• Class Dojo – Key in raising the profile of PESSPA amongst parents and staff.</li> <li>• Sports Captains scheme – Has gone from strength to strength. Current captains have pushed the boundaries of the scheme and have taken all the opportunities offered to them.</li> <li>• Improved OAA offer to years 2 – 6. Better communication of the benefits to parents.</li> <li>• Getset4PE – The scheme has given staff the confidence and resources to teach a wide range of PE subjects</li> <li>• Work Experience Students – A wide range of students have come to NMPS to experience our high-quality PE offer. The next generation of PE specialists.</li> </ul>	<ul style="list-style-type: none"> <li>• Re assessment of need for school swimming, focus on non-swimmers and slower learners.</li> <li>• Brain Breaks KS2 – embed brain breaks in KS2 lessons</li> <li>• KS2 Playground – re-examine how we could fund improvements to deliver a high-quality play space for all children</li> <li>• Targeted PE Interventions for class with a wide spread of ability. Better ratios of staff to learners for these classes</li> <li>• Improve facilities for dealing with mud to enable maximum active time outside in Forest School sessions. Canopy, shelving etc</li> <li>• Family based interventions – revisit how we can increase activities rates among whole family groups</li> <li>• Improved communication with stakeholders and wider community through school You tube channel</li> <li>• Midday Supervisor training – Further develop our training to build on current success in delivering high quality playtimes</li> <li>• Widen leadership opportunities through Sports Leaders scheme – Sports Captains and Sports Leader hoody’s</li> <li>• OAA walks for a wider range of classes</li> <li>• After School Clubs – introduction of sports based after school clubs. Training for wrap around staff to use scooters and balance bikes</li> <li>• Development of topic-based Dance modules</li> <li>• Develop relationship with Aquinas College to enable more work experience students to visit the school</li> <li>• Forest School Leader or assistant training for Teaching Assistants</li> </ul>

<ul style="list-style-type: none"> <li>• Beyond School Swimming – We have looked beyond standard swimming lessons and delivered a wide range of water-based activities.</li> <li>• Schools Sports – High rates of demand for and participation in school sports (on average 5 events per child for Intra and 5 events per child for interschool sports events). Bespoke matching service for hard to reach and least active children.</li> <li>• Achieved School Games Gold Award for the 5<sup>th</sup> (7<sup>th</sup>!) year in a row.</li> </ul>	<ul style="list-style-type: none"> <li>• Continue to improve links with local sports club’s post Covid and promote these clubs to parents and children.</li> <li>• Complete the journey to Platinum</li> </ul>

Meeting national curriculum requirements for swimming and water safety.	
<p>What percentage of your current Year 6 cohort swim competently, confidently, and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	94%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?</p>	94%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	97%
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	<p>No. The current year 6 did not do school swimming as a class due to Covid. As the standard of swimming was in general very high in the class, we decided to focus on school swimming for the younger year groups many of whom had never been in a swimming pool before. We did</p>

take 2 year 6's swimming to enable them to reach the required standard. We carried out additional water safety activities for the current year 6 to ensure they did not miss this important part of school swimming.

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

<b>Academic Year:</b> 2021/22	<b>Total fund allocated:</b> <b>Sports Premium budget topped up to £20,000</b>	<b>Date Updated:</b> June 2022		
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: Capital costs – 20% Staffing Costs – 20%

<b>Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:</b>	<b>Make sure your actions to achieve are linked to your intentions:</b>	<b>Funding allocated:</b>	<b>Evidence of impact: what do pupils now know and what can they now do? What has changed?</b>	<b>Sustainability and suggested next steps:</b>
<b>Daily Mile</b> Relaunch our morning running scheme with mixed year groups. Re Introduce buddy system to encourage partnership working and children pushing each other to run further.	December Distance Challenge for all classes  Head-to-head class challenges and racing to bring competition to the session  Optional logbooks to motivate less active children	Included in PE Coordinators salary	Daily Mile is now fully embedded in our school. Children rarely question why we do it and it has become just something we do in the mornings. Enthusiasm for actual running varies in KS2 but the various schemes we have in place help to keep it fresh and relevant. The children enjoy big rope skipping the most and this has had a massive impact on the fitness and timing skills of many children.  In KS1 enthusiasm is not a problem, the children run	Sports Captains to take more of a role in running boost initiatives for Daily Mile.  Covid has prevented us having a full range of buddy systems in place this year. We will reinstate these initiatives from

	Sports Captains to lead the way in Year 6		out of school and seem to really enjoy the sessions. The big success of the year has been the introduction of Baby Shark as a last lap song. It indicates to the children that we are nearly finished and means we end on a fun game where they learn dodging skills without even knowing it.	September 2022.
<b>Brain Breaks</b> Refresh Brain break activities in all classes and monitor their use across the school	PE Coordinator to work with individual classes to help make these a regular activity Pupil voice questionnaire or chalk board for which are their favourite brain break activities	Included in PE Coordinators salary	Brain breaks are now used regularly in KS1. Staff see the benefit of their use and say that they help to refocus the children or embed a piece of learning through song and dance.  In KS2, the number of supply teachers in school this year has made it difficult to ensure brain breaks are used consistently across the school.	Relaunch Brain breaks for KS2 including lists next to the whiteboard of suitable sites and passwords.
<b>KS2 Playground</b> Start process to refurbish elements of the KS2 playground. Pupil Voice surveys run by Sports Captains to find out what children would like. Aim to make KS2 playtimes more active for all children	Pupil Voice surveys Explore costs and options with playground designers Grant applications and fundraising	Management time included in PE Coordinator salary  Grant funding paid for actual works	A project to update equipment on the KS2 playground will cost around £60k, something which is out of our reach at present. An area of unusable shrubbery has been grassed over using the school budget, this has given us an area of flat grass for giant chess and other games which encourage less active children to be more active at playtimes.  Sports Captains designed and ran a Pupil Voice questionnaire in the Autumn which highlighted areas that the children wanted to see improved. We have therefore taken the decision to make improvements to the playground through small scale equipment and timetabling rather than a large capital scheme.  We now use all the playground space every break and lunch time with a better range of activities including scooters, giant chess and non-football ball games. Midday supervisors have received training and are now more confident to manage playtimes so that they encourage activity for all children.	Work with the gardening team to ensure that the KS2 playground is suitable for play year-round.  Investigate further grants and fundraising for a larger refurbishment project.

			The woodland is now in use most playtimes – our evidence shows that least active children are more active in this environment and are more likely to practice their strength and balancing skills.	
<p><b>Scooting</b></p> <p>Reassess use of scooters at playtimes and for after school clubs. Survey children to find out what they would like. Aim to make scooters accessible to those who want them at all times</p>	Pupil Voice survey	Management of scooters included in PE Coordinators salary	<p>Our fleet of scooters are a key part of our active playtime offer. The scooters have been permanently moved to a shed in the top playground and midday supervisors have been given training in their safe usage. Our evidence shows that the scooters are used by a large number of our least active children.</p> <p>Timetabled use of the top playground has also enabled us to have year 2's using the equipment and space.</p>	Continue to monitor scooter usage and survey children next year to ensure maximum activity time and enjoyment of sessions.
<p><b>PE Kit/uniform</b></p> <p>Explore options for a permanent change to uniform to create an 'Active Every Day' Uniform. The aim would be to encourage more children to be physically active during the school day and better dressed for activity in all weathers</p>	<p>Write a discussion document for Governors to suggest a permanent change to PE kit and uniform</p> <p>Survey monkey for parents to establish appetite for permanent Uniform change</p> <p>Monitor uniform choices made up to Spring 2021 to see what works and what is not working.</p>	Included in PE Coordinators salary	<p><b>Our biggest success this year and a game changer in terms of increasing activity levels around school.</b></p> <p>This year we have carried out a full parent, staff and student consultation regarding replacement of the existing uniform with an Active Uniform. 80% of parents were in favour of an active uniform and nearly 100% of children.</p> <p>Governors have now approved the permanent move to an Active Uniform with no changing for PE. This has on average increased active time for each child by 40 minutes per week.</p>	<p>Monitor implementation of change to the Active Uniform. Ensure parents are choosing suitable footwear for their children (boots still a problem).</p> <p>Write case study for other local schools to encourage them to consider a similar change in uniform.</p>

<p><b>PE Interventions</b> Use additional PE Interventions with specific children or groups to fill gaps in knowledge, confident or ability. Focus on Swimming, cycling, ball skills, fitness</p>	<p>Identify candidates for intervention through PE assessment grid</p> <p>1-1 sessions where possible 1-2 Chimp Management</p> <p>Learn to ride Bike sessions for KS2</p>	<p>Included in PE Coordinators salary</p>	<p>There have been a number of PESSPA interventions this year</p> <ul style="list-style-type: none"> <li>• Chimp Management for Year 6 child with anxiety issues</li> <li>• 1-1 swimming support for year 3 child (PP, SEN, Social Care)</li> <li>• Change of approach to year 3 PE to take account of differing abilities</li> </ul>	<p>Timetable changes from September 2022 will enable us to do more PESSPA interventions.</p> <p>Focus will be on year 2, 4 and 6</p> <p>RDA sessions for children who would benefit</p>
<p><b>Outdoor Education</b> Embed Outdoor Education and Forest Schools in the whole curriculum. Promote benefits of outdoor learning and play</p>	<p>Learning through Landscapes training in September for all Midday and support staff</p> <p>Monitor levels and quality of outdoor learning throughout the year and its impact on key children</p> <p>Clarifying insurance issues around tree climbing. Extend area for adventurous playtime activities</p>	<p>Included in PE Coordinator and Forest School Coordinators salary</p> <p>Learning through Landscapes grant £500</p>	<p>FS and Outdoor learning is now embedded in the school curriculum. Each class has a Forest School session most weeks and children and parents appreciate the benefits of playing and learning outdoors</p> <p>Positive response to LTL training from Midday team. Increased confidence of staff to deliver play and lunch sessions with different equipment in different parts of the school grounds.</p> <p>Cover obtained for tree climbing and FS activities. Woodland area further extended and is used for active playtimes and lunch sessions as well as one off curriculum play sessions.</p>	<p>Installation of canopy, welly store and seating outside the hall door to enable faster turn arounds for outdoor sessions.</p> <p>Use Class Dojo to promote the benefits of FS and outdoor learning on physical and mental health</p> <p>Invite a parent to FS sessions for all classes</p>

What has changed?</b></p>	<p><b>Sustainability and suggested next steps:</b></p>
<p><b>Photo Library</b></p> <p>PESSPA photos used in school and on social media have been a powerful tool in promoting PESSPA to parents and stakeholders. Better coordination and storage of all photos across the school would help standardise the use of photos for each subject and class.</p>	<p>Create One Drive folders for each class for central organisation of photos</p> <p>Encourage more teachers to Tweet the 'ordinary' from their classes to improve communication between school and parents</p> <p>Create 21 Bridges wall display</p>	<p>Included in PE Coordinators salary</p>	<p>Class Dojo now in use as the main communication tool for parents. This has had a massive impact on raising awareness of PESSPA to all parents.</p> <p>One Drive of photos has not been successful due to the poor upload speed of the school systems</p> <p>21 Bridges and Outdoor Education wall displays created to promote physical activity and PESSPA around the school.</p>	<p>Ask Governors to consider use of school Youtube channel to enable us to use short films to promote PESSPA</p>
<p><b>Short Films</b></p> <p>Develop communication formats to improve cut through in communication between school and parents. Promote the work of PESSPA within school and to stakeholders</p>	<p>Youtube channel approved by Governors and used by all staff to communicate Sports results, activities, and special events</p> <p>School Games Values film competition to be run for Year 5 and 6</p>	<p>Included in PE Coordinators salary</p>	<p>Short film made for Year 1 Triathlon – well received by parents on Class Dojo</p> <p>Year 6 made School Games films to promote School Games Values</p>	<p>Ask Governors to consider use of school Youtube channel to enable us to use short films to promote PESSPA (they have not authorised up to this point because of GDPR issues)</p>

<p><b>Long term, family level, changes in Physical Activity</b></p> <p>Build on the success of the Trig Point Challenge and 21 Bridges to engage 'whole family' groups in PESSPA events and activities</p> <p>Promote links between good family mental health and good attitudes to PESSPA</p>	<p>Parent buddy scheme to encourage more parents to be confident to take their children walking in the countryside.</p> <p>PE coordinator to lead easy local walks for least active families to empower and improve confidence to do the same in their own time</p> <p>After school family Bike club established</p> <p>Link PESSPA and PSHE curriculum more closely through classroom sessions</p>	<p>Included in PE Coordinator Salary</p> <p>PTA funding for purchase of school bikes</p>	<p>Unable to run family bike club due to the cancellation of Mountain bike leader training (3 times) due to Covid.</p> <p>Links made with Move More Officers in the High Peak</p> <p>Bring a parent to Forest Schools sessions for key year groups. Promotion of mental health benefits of outdoor education</p> <p>Other initiatives to encourage family activity were put on hold due to Covid restrictions in school.</p>	<p>PE Coordinator to complete mountain bike leader training</p> <p>Further bring a parent to FS sessions</p> <p>Link key families with Move More officers activities.</p>
<p><b>Play Policy</b></p> <p>Promote the importance of free active play for all children both in and out of school. This communication will be targeted at teachers, Midday Staff, and parents</p>	<p>Monitor playtimes to ensure consistent good practice in line with Play Policy</p> <p>Better use of the woodland and wooded areas for playtimes</p> <p>Re establish buddy system across year groups and playground leaders scheme</p>	<p>Included in PE Coordinators salary</p>	<p>Benefits of woodland play promoted across the school to staff and midday team. Ongoing training and discussions about the importance of free play in a variety of play spaces.</p> <p>Regular use of the woodland for break and lunch time sessions. Evidence shows play in these areas is more active, equitable and cross age and gender groups.</p> <p>Midday team have completed training modules on positive communication during play sessions. This training has led to calmer and less confrontational play times</p> <p>Year 6 led year 2 play sessions on the top playground. This has been very successful in developing year 6 as leaders and enabling year 2 to have a wider range of play opportunities.</p>	<p>Continue with ongoing Midday Supervisor training</p> <p>Year 1 play sessions on the top playground led by Sports Leaders as well as Sports Captains</p>

<p><b>School Games Values</b></p> <p>Promote School Games Values and how they encourage whole school improvement</p>	<p>School Games Film Competition for year 5 and 6</p> <p>Values based learning objectives in PE and School Sport</p> <p>Classroom based lessons on School Games Values for select year groups</p>	<p>Included in PE Coordinators salary</p>	<p>Year 6 made School Games films to promote School Games Values</p> <p>Values based morning for year 5 including team games, drama and logo design</p> <p>Values embedded in all aspects of PESSPA.</p>	<p>Continue to promote School Games Values through PESSPA, playtimes and curriculum based learning</p> <p>Train Midday team in School Games Values. Enable them to give sticker rewards for displaying values at playtimes.</p>
<p><b>Special Events and Sports Days</b></p> <p>Use Special PESSPA events to improve communication between parents and school, improve profile of school in local community</p>	<p>Scooter Duathlon</p> <p>Mini Olympics Sports Day</p> <p>Sport/Comic Relief events</p> <p>Whole School Mile</p> <p>Winter Biathlon event</p> <p>DP Trick Shots afternoon KS2</p>	<p>Included in PE Coordinators Salary</p> <p>Costs for Sports Day £</p>	<p>Whole School events have been limited this year due to Covid restrictions.</p> <p>Santa Dash for whole school run in December</p> <p>Year 1 Mini Triathlon run by Year 6 Sports Leaders</p> <p>Mini Olympics Sports Day to be run in July 2022</p>	<p>Triathlon (with swimming) run from NM Leisure Centre</p> <p>Winter Biathlon event</p> <p>Whole School Daily Miles run every term</p>
<p><b>Pupil Leadership Scheme</b></p> <p>Relaunch Sports Captains role. Use Sports Captains to promote the profile of the school in the High Peak and County</p>	<p>Attend High Peak Sports Awards</p> <p>Captains to present to Governors at the end of their term to show what they have done and learned</p>	<p>Included in PE Coordinators Salary</p>	<p>Massively successful Sports Captains scheme this year.
